

**Written Homework Assignment: Describe your study space.**

- **Describe the physical space**, what does it look like, where is it, how is the lighting?
- **What tools do you have at your disposal?** Laptop, smart phone, tablet, set of encyclopedias, etc?
- **How do you minimize distractions?** Do you shut the door? Listen to headphones? Turn off your phone?
- **What limitations does your study space have?** Is it available to you 24/7? Do you share with a sibling?
- **How can you improve this space?** Describe what needs to change, and then do it!

About 1 page, **QUALITY** over quantity. **Typed.**
